

## **SIBA Soccer returns to after-school soccer program at Coomera Anglican College**

### **(COVID 19 guidelines for Coomera Anglican College)**

- Educate participants on hygiene practices and promote required behaviours relevant to their sport and environment.
- Routine hygiene measures must be maintained
- Have cleaning protocols in place for equipment and facilities (sanitise all balls, poles, cones etc as well as washing training bibs prior to each session)
- Minimise equipment (participating children must not bring their own ball)
- No sharing of drink bottles
- If registered participants have been unwell or had contact with a known/suspected case of COVID-19, they are reminded they should not return to sport for 14 days.
- Our staff members must not join the training environment if in the last 14 days they have been unwell or had contact with a known or suspected case of COVID-19
- Reduce numbers on program (No prep students for the reduced 6 week program)
- Adhere to the **'Get in, train and get out'** policy
- All participating students must strictly meet at the Junior College synthetic grass undercover area prior to each weekly lesson. Once attendance has been finalised, all present coaches will escort the groups to the main school oval.

- **NO PARENTS IN ATTENDANCE** (parents to acknowledge this by ticking consent box on our website when registering their child(ren) onto the program)
- At the closing of each weekly session all participating children are to be signed out by SIBA Soccer staff as they are being picked up by their parents in a routine/drive through approach in junior car park (as per daily pick up/ drop off routine at College). This process will be managed accordingly by staff member/s of SIBA Soccer
- When practical, participants and other personnel should maintain social distancing of at least 1.5m (e.g. between training drills/ efforts)
- There should be no unnecessary body contact (e.g. hand shaking, high fives)
- Each group in the program will have a reduced size in numbers.
